## **INFORMATIONAL NOTICE**

### **PACIFIC COAST HIGHWAY (SR-1) SLIDE AREA CONSTRUCTION UPDATE**

Los Angeles County – Work to remove earth on the cliff over Pacific Coast Highway (SR-1), between Topanga Canyon Boulevard and Coastline Drive is continuing. Over the weekend, the contractor bored through the rock and, beginning today, will continue to export dirt from the slide, utilizing 25 trucks hauling 12-14 hours per day. Recent rains, limited disposal site operating hours and a shortage of available dump trucks could extend project completion time. This possibility is under evaluation.

An interchangeable third lane in effect for the second week has helped to ease traffic in the project area, however motorists should expect delays. Electronic message signs (CMS) have been placed on southbound U.S. 101 approaching Topanga Canyon Boulevard and on Malibu Canyon Road just south of Mulholland Drive.

For additional information or assistance, please contact the Caltrans Public Affairs Office from 8 a.m. to 5 p.m. Monday through Friday at (213) 897-3693 or (213) 897-3656.
